

C&G DEPURAZIONE INDUSTRIALE SRL

30/11/2016

C&G Depurazione Industriale has been on the market for over 45 years, offering innovative, quality solutions, and entering new markets, often in distant places, over the years.

The research of new solutions has allowed us to consolidate our relationship with top-of-the-market Clients, who renew their faith in us year after year. With C&G plants "Your company saves, our environment gains".
